Directions for Using this Index

This index is solely a subject list. Under each subject, books and pamphlets are listed by author while periodicals are listed by title; the two types of entries are together in one alphabetical list. Titles used are those of the book, pamphlet, or article, but the page references are for the bibliographies only. Frequently the bibliography covers a wider field than that of the book indicated in its title. The following sample entries illustrate the order of information given in the references.

SAMPLE ENTRY: **Books and Pamphlets**	FORMOSA Population Barclay, George W. Colonial development and population in Taiwan. Princeton univ. press '54 p263-8
Explanation	*A bibliography on the population of Formosa will be found in George W. Barclay's "Colonial development and population in Taiwan," published by Princeton University Press in 1954, on page 263-268.*
SAMPLE ENTRY: **Periodical Article**	LITERATURE, Comparative American and German Anglo-German literary bibliography for 1954. J Engl & Germ Philol 54:387-91 Jl '55
Explanation	*A bibliography on American and German comparative literature entitled Anglo-German literary bibliography for 1954 will be found in the periodical "Journal of English and German Philology" volume 54, pages 387-391, the July 1955 issue.*

Directions for Using this Index

This index is solely a subject list. Under each subject, books and pamphlets are listed by author while periodicals are listed by title; the two types of entries are together in one alphabetical list. Titles used are those of the book, pamphlet, or article, but the page references are for the bibliographies only. Frequently the bibliography covers a wider field than that of the book indicated in its title. The following sample entries illustrate the order of information given in the references.

SAMPLE ENTRY: Books and Pamphlets	FORMOSA Population Barclay, George W. Colonial development and population in Taiwan. Princeton univ. press '54 p263-8
Explanation	*A bibliography on the population of Formosa will be found in George W. Barclay's "Colonial development and population in Taiwan," published by Princeton University Press in 1954, on page 263-268.*
SAMPLE ENTRY: Periodical Article	LITERATURE, Comparative American and German Anglo-German literary bibliography for 1954. J Engl & Germ Philol 54:387-91 Jl '55
Explanation	*A bibliography on American and German comparative literature entitled Anglo-German literary bibliography for 1954 will be found in the periodical "Journal of English and German Philology" volume 54, pages 387-391, the July 1955 issue.*
